

Steps to be undertaken for Survey of Urban Street Vendors using Mobile based Application

- Download the Street Vendor Survey App (as share link by PMC office).
- Install the Application (App) into your Android mobile/tablet.
- Allow all confirmation while installation of App.
- After installation of the App; tap on SUSV icon to open the App.
- Once App is opened then follow the below mentioned procedure to conduct Street Vendor Survey:

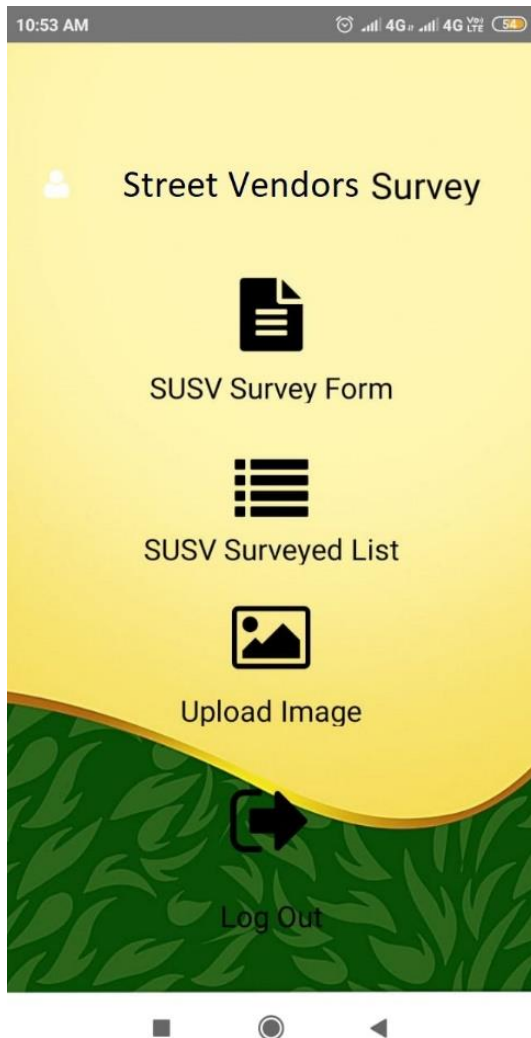

Login with provided user ID and password.

User ID: [name@example.com](#) (CMMs ID)

Password: ***** (Same as SULM)

- Surveyors would be identified and selected by ULB only.
- The CMMs would send a request through email to MIS – SULM keeping PMC – NULM in loop for creation of multiple ids of Surveyors along with the approved list of Surveyors finalised by ULB.

A welcome screen come just like left image once you login into app related to your ULB.

- **Survey Form**: To make survey tap on Survey Form link.
- **Survey List**: To view your surveyed data tap on same.
- **Upload Image**: To upload images of surveyed street vendors.
- **Log out**: To exit from the app tap on Log out link.
