Office Memorandum

Subject: Clarification in Payment terms of the Employment through Skill Training & Placement (EST&P) guidelines-reg.

16 JUN 2015

The undersigned is directed to refer to the MOU entered by the Ministry with National Skill Development Corporation (NSDC) to provide skill training to urban poor under the Employment through Skill Training & Placement(EST&P) component of National Urban Livelihood Mission (NULM).

2. The EST&P guidelines state that "SULM may design the terms of payment preferably in 3 or more installments i.e 30:50:20. The first two installments may be based on the commencement of training, completion and certification of the candidate and last 20% may be paid on the placement / enterprise development and tracking of candidates for 6 months. However, the SULM may decide on any other payment terms and conditions". It is clarified that as per the text of the guidelines, SULM has complete flexibility to decide terms and conditions of payment. The terms and installments mentioned in the guidelines are only indicative and not mandatory.

3. It is also informed that in the case of arrangement with NSDC, as requested by NSDC, States can consider releasing the first installment of 30% after signing of agreement or issue of sanction/approval letter rather than on commencement of training. As training may commence at different times in different cities it may be difficult to link release of first installment with commencement of training. This may help in faster implementation of the EST&P component in the State.
