Government of Bihar
Urban Development & Housing Department
INTERNSHIP GUIDELINES, 2019

Concept Note:

In recent years, the urban sector has undergone a major change following the country's transition towards a market-based economy and the spirit of decentralization. The decade of the 1990s and 2000s had also witnessed important changes in the thinking about cities and their role in economic growth and reduction in poverty. There is a wide acceptance of the importance of urban governance, and recognition of challenges of accountability and responsiveness of the local self-governments to people.

The Urban Development and Housing Department (UD&HD) is the nodal department of the Government of Bihar for ensuring proper and planned growth of cities and towns with adequate infrastructure, amenities and services provided to the citizens through the Urban Local Bodies (ULBs) and parastatal agencies such as Planning Authorities, Bihar Urban Development Agency, Town Planning Wing, Bihar Urban Infrastructure Development Authority, Bihar State Housing Board etc. The Department is involved in ensuring the efficient management & delivery of civic services like provision of affordable housing, safe drinking water, sanitation including solid waste management, water drainage, sewerage, roads, public transport; and creation of livelihood opportunities by accelerating economic growth of cities/towns and building capacity of the urban poor. It plays a coordinating and monitoring role and also supports these programmes through Central and Centrally Sponsored Schemes.

For strengthening the urban infrastructure and to meet the growing demand of urbanization, UD&HD, Government of Bihar is implementing several social, economic and infrastructure development schemes across the 140 Urban Local Bodies. These schemes and programmes include Centrally sponsored schemes such as SBM, AMRUT, DAY-NULM, Smart Cities, HRIDAY, and PMAY. Besides centrally sponsored schemes, the department is also implementing schemes that are supported through State Plan Funds. For the purpose of providing technical and human resource support to ULBs, the department has created Cells as well as hired PMUs. Despite the fact that the department is equipped with technical support and financial resources it has been observed that there is paucity of skills and knowledge in the new areas and technologies being used in urban development and urban planning. It is also felt that fresh and young brains can help in bringing new and innovative ideas to rejuvenate urban development in the State.

The purpose of these guidelines is, on the one hand, to invite and utilise young students in the field of urban planning, urban governance and urban reforms to involve themselves in urban transformation in the State of Bihar by dedicating their time, talents and creative skills for a short time, and on the other, to provide young practitioners an opportunity to get a first-hand experience of the urban scenario and to practice the skills they learn at college or university to real life situations.

UD&HD Bihar has decided to initiate a Scheme for engagement of interns in the department or in Urban Local Bodies or in parastatal organisations in real life short-term projects related to urban planning, urban governance, urban reforms or in the implementation of various Central, Centrally Sponsored or State schemes such as SBM, AMRUT, DAY-NULM, Smart Cities, HRIDAY, Namami Gange,

PMAY and Mukhya Mantri Nischay Yojna. The scheme seeks to engage Indian nationals who are pursuing Graduation/Post-Graduation or Research in Architecture & Town Planning, Transport Planning and Transport Engineering, Municipal Governance, Municipal Reforms, Environmental Science, Law, Graphics, Multimedia, Animation and GIS in reputed Universities/ Institutions within India as "Interns". For the larger benefit of the student community and with a view to enriching the management/implementation of its various schemes/programmes, UD&HD has decided to notify these "Internship Guidelines 2019" to provide a framework for engagement of Interns on short term basis.

Objectives and Guiding Principles:

- i. The objective of the scheme is to allow young talents from the reputed institutions to be associated with the Department work for mutual benefit:

 - The Department may benefit from the additional resources in the form of young talents with fresh perspectives and their inputs which shall add to its policy formulation base.
