Dear Sir,

The State Urban Livelihood Mission is being implementing in 142 towns of the state .Under the SM&ID component of the mission, more than 22000 Self Help Groups and their Federations have been formed during short period of implementation.

The primary objective of the mission is to eradicate urban poverty through targeted intervention .The Self Help Groups formed under the mission have urban poor women from the most backward section of the society .

We wish to state that a majority of the SHGs are willing to take up income generation activities such as establishing and running CSCs. Therefore, SULM Bihar has decided to enter into an agreement with your esteemed organization for establishment of CSC by the SHG Members.

You are requested to share a draft copy of the MOU with UD&HD Bihar for seeking approval from the department.

Yours faithfully
