SUB: Linking assessment and placement related data updation on BSDM portal with approvals against subsequent batch approvals by the Line Departments / funding entities.

Dear Sir,

This has a reference to the domain skilling training with SDCs registered on Bihar Skill Development Mission (BSDM) portal under your Domain Skilling Scheme. At the onset we would like to thank you for your support in crafting the domain skilling ecosystem in Bihar.

In order to further bolster our commitment of an efficient Skills Ecosystem and our pursuit of the "Skilled Bihar Vision", Bihar Skill Development Mission (BSDM) intends to ensure compliance and diligence on the part of our skilling training partners / centres especially with regard to timeliness around portal data updation. It has been observed that many of the SDCs are not updating the requisite information regarding assessments and placements on the portal as per stipulated timelines.

On account of the above stated observation we would like to request you to not approve any subsequent batches for those SDCs

1. Who have not yet updated the assessment result and certification status on the BSDM portal of any batch for which the assessment has been completed and the result and certificates received.

2.

- a. Also for all further batch approvals we would request you to please not approve batches for SDCs who do not update the assessment details on portal for batches against which result declaration and certification has completed.
2. Who have not yet updated the placement details on the BSDM portal of any batch for which three months have gone by post result declaration date.
- a. Also for all further batch approvals we would request you to please not approve batches for SDCs who do not update the placement details on the BSDM portal of batches for which 3 months have gone by post result declaration date.

We look forward to your continued support in ensuring realization of the Skilling vision with quality.

With best regards,

Yours sincerely,
